

ID card with the Star?

Regardless of whether you are a new applicant or currently hold an Idaho driver license or identification card, you must bring the same types of documents to get a Star Card.

To help applicants identify and gather the required documents, use the Idaho Transportation Department's [Add the Star Tool](#). Simply answer a few questions and the system will create a customized list of documents you need to bring with you.

New applicants and current driver's license and ID card holders who want a Star Card must present the required documents from each of these three categories.

- 1) **Identity and date of birth.** You must present one of the documents listed below.
- 2) **Social Security number.** Present your Social Security card; or one of the following documents listed below.
- 3) **Idaho residency and current residential address.** You must present *two documents* that include your name and current Idaho residential address that demonstrate residency in the state of Idaho. See examples of acceptable documents below.
